Dataset on left hand movements recording has been divided in 2, and a spatial correlation has been applied on the results.
1st half dataset vs 2nd half
Full dataset vs 1st half
Correlation between complex JADE 20 & complex JADE 1, 20

ICA complex JADE: dim = 20, sample# 64

- spatial
- frequency
Full dataset vs 2nd half
Correlation between complex JADE 20 & complex JADE_x 20

ICA complex JADE: dim = 20, sample# 64

spatial

frequency
